

## **Subject: Floodmobile event in St Ives 13th November**

I am emailing to make you aware of our Floodmobile event which will take place in St Ives, in Sheep Market on Market Hill, Saint Ives PE27 5AH, on Saturday 13th November from 10 am to 3pm. It would be great if you could spread the word to anyone you think might be interested.

A roadshow of events are being hosted by the Ox-Cam PFR Pathfinder Project, in partnership with Cambridgeshire County Council, which are designed to help households and businesses located in areas that have previously seen flooding, receive expert advice onboard a special 'Floodmobile' - an interactive demonstration vehicle which provides examples of over 50 practical measures of flood resilience.

Renowned flood resilience expert and representative for Ox-Cam PFR Pathfinder Project Mary Dhonau OBE will talk to visitors and offer advice, alongside Fola Ogunyoye CEng CWEM FCIWEM, Director of TJAY Consultancy Ltd who has over two decades of expertise in providing flood risk, water and environmental management consultancy service. They will be joined by Matt Tandy, Principal Engineer at infrastructure consultancy, AECOM.
