

## 3Cs - Colne Caring Community

This is the first 3Cs Newsletter. Our aim is to provide support, companionship and assistance to residents of Colne according to need. We have been going for 9 months during which time we've held a number of monthly coffee/tea gatherings at Colne Village Hall that have been well attended.

We've been busy producing 'Twiddlemuffs' which have gone out to several residents in the Village. We're currently making bobble hats to add to the Christmas boxes sent out by 'Operation Christmas Child'.

We served light refreshments at the Jo Cox Great Get Together and at the recent Colne Village Festival where we met individuals and families from Colne and other villages. We also had a stall at the Wellbeing Event at Bluntisham Baptist Chapel and at St Helen's School Party in the Park.

We are developing a volunteer network and would like to know if you or someone you know would:-

1. like any support from this scheme
2. like to volunteer
3. be willing to share any particular skills or expertise

Please contact: Cheryl on 01487 740801 or email:

This is an open invitation to any of our coffee/tea gatherings. There is a play area with toys for children. We have some excellent cake makers, and transport can be provided.  
(Dates and times of future meetings overleaf).
